THE BUSINESS SUITE

The Learjet 60XR's cabin combines luxury and utility. Six plush seats swivel, recline, and slide, with premium upholstery for elegance. Spacious legroom and large side tables aid work or dining, fostering productivity and calm conversations.

Advanced soundproofing creates a quiet retreat. Storage and customizable lighting enhance convenience and ambiance. Ideal for work or rest, the Learjet 60XR sets the standard for mid-size jet travel with unmatched comfort and style.

THE FAMILY SUITE

The Learjet 60XR's cabin transforms private jet travel with its expansive legroom, plush seats that swivel and recline, and entertainment features like bulkhead-mounted displays and a DVD player. Every detail is crafted to ensure supreme comfort, restful relaxation, and dynamic group engagement.

THE AIR AMBULANCE

This jet is equipped with cutting-edge medical equipment and supplies. A team of skilled professionals accompanies the patient, delivering expert emergency care throughout the flight.

ASM's global team of aviation experts provides worldwide air ambulance charter consultations, ensuring the fastest response possible.
